It shall be the owner/contractor's responsibility to notify all utilities prior to the issuance of this permit. All potentially affected adjoining property owners must be notified prior to the beginning of demolition. During the proposed demolition, it shall be the contractor/owner's responsibility to maintain the site in a safe and sanitary condition. All demolition debris must be removed from the site, disposed of in an approved demolition landfill, and be in compliance with all Federal, State and County regulations. Upon completion of demolition, it shall be the contractor/owner's responsibility to fill and grade the lot to conform with established street grades, and adjoining property. Provision shall be made to avoid the accumulation of water, rubbish, and all other unsafe and hazardous conditions.
