The City recognizes the City Comprehensive Plan as the policy for responsibility to regulate land use and development in accordance with the policies and purpose herein set forth.

1.02: STANDARD REQUIREMENTS.

- A. Where the conditions imposed by any provision of this Ordinance are either more or less restrictive than comparable conditions imposed by other ordinance, rule or regulation of the City, the Ordinance, rule or regulation which imposes the more restrictive condition, standard, or requirements shall prevail.

All references within this development ordinance to other city, county, state, and federal regulations are for informational purposes only and do not constitute a complete list of such regulations. These references do not imply any responsibility by the city for enforcement of county, state, or federal regulations. Furthermore, all references to other city, county, state, and federal regulations within this ordinance are intended to refer to the most current version and citation for those regulations. If such references are invalid due to repeal or renumbering, the new regulations intended to replace those cited, regardless of the citation, shall govern unless otherwise specified.

1.03: PRIOR CONDITIONAL USES.

Any established use or building legally existing prior to the effective date of this Ordinance (October 30, 2007) and which is now classified as a conditional use may be continued in like fashion and activity and shall automatically be considered as having received conditional use permit approval.
