For Your Lawn -

- Water your lawn or garden before 10:00 am to avoid water evaporation.
- A lush green lawn required 1 to 1 1/2 inches of water a week. Keep in mind to adjust water based on rainfall.
- Let your grass grow to about 2 inches in the summer, water loss will be reduced because the blades of grass will provide shade for the roots.
- Avoid watering when windy or in the heat of the day.
- Do not allow sprinklers to run unattended. Use a time as a reminder when it's time to move or turn off the sprinkler.
- Lawns that are frequently aerated absorb water better.
- High nitrogen fertilizers stimulate lawn growth and increase water requirements.
- Thatch build-up in a lawn can create a rapid run off situation. Every spring the lawn should be raked and dead grass removed.
- Mulch shrubs and other plantings so the soil holds moisture longer.
- Sprinklers throwing large drops in a flat pattern are more effective than those with fine high sprays.
- When possible, flood irrigated vegetables and flower gardens rather than using sprinklers. Irrigation allows deeper soaking with less water. Sprinklers result in high evaporation and loss of water.

This Ordinance will be enforced.

1. All sump pumps must discharge outside, not into the sanitary sewer.
2. City inspections for compliance are required during property sales, new construction, and other specified conditions. Inspections are free until December 31, 2025, and certificates are valid for 5 years.
3. Property owners are responsible for necessary repairs and inspection costs. Non-compliance must be corrected within 30-90 days.
4. Sellers must disclose and correct violations before a sale unless the buyer assumes responsibility in writing.
5. Violations may result in monthly surcharges added to utility bills until corrected.
6. Temporary waivers can be requested, but additional fees will apply.
7. Failure to comply may result in penalties, public nuisance declarations, and abatement.
8. Appeals must be submitted in writing within 30 days of determination.
9. The City Council enforces and administers the ordinance to maintain public health and infrastructure.

Mayor's Insider Message

Stephanie Finnegan, Laura Backes, Mayor Judy Dvorsak, Tim Thornbloom, Randy Anderson

Happy Spring, isn't it amazing as the trees bud and grass turns green our spirits are all lifted?

The Council and I are happy to announce our March meeting was our first livestream. We did run into a minor glitch, but it was fixed pretty quickly. Technology today is so amazing. You will be able to access the meeting on multiple devices: smart phone, iPad, laptop, computer or even TV (if it has that capability). The meetings and recordings are being broadcast on YouTube, <https://www.youtube.com/@cityofOsakis-x2n>. There is also a link to the meeting on the City of Osakis website. We have also expanded with the agenda to include a cover sheet for any items under new and old business on the city website.

The Park Osagi renovation is gaining traction with a significant donation from the Olson Family. Next step, submission of the grant application for the MN DNR Recreation Grant. Barring any obstacles, construction is slated to start the spring of 2026. The new pavilion and amenities will be a great venue to be utilized for any type of event. It will be a beautiful addition for Osakis residents, visitors and surrounding communities.

Spring clean-up day is scheduled for Saturday, May 17, 2025. There is additional information on page 2 of this newsletter. It is an excellent opportunity for us to dispose of all those items cluttering up our garages or basements. We are happy to accept a request from Osakis Lakes Area Association to partner with us on this project.

Thank you to all the people that volunteer! Fire Fighters and First Responders that unselfishly are there to help us in an emergency. Multiple organizations and people that work together to plan, promote and execute the many events hosted annually. If you are interested in learning more about an organization or wanting to volunteer, please reach out to City Hall 320-859-2150.

On a personal note, I would like to express my appreciation to the council for helping me navigate through the process as your new Mayor. Also, thank you to the council and community members who have graciously answered my questions for a deeper understanding.

Have a wonderful summer! Don't forget to mark your calendars for the Fire Department Pancake Breakfast feed on May 4th. Watch the Osakis Chamber of Commerce Facebook page for more information on this year's events including the Osakis Festival and Taste of Osakis.

Thank you,
Judy Dvorsak
