

MAIN STREET RECONSTRUCTION

Join for us for a Q&A session for construction, anytime from 2:00 pm - 5:30 pm.

August 31
2:00 pm - 5:30 pm

Osakis City Hall
14 E Nokomis St
Osakis, MN 56360

WHAT TO EXPECT FROM CONSTRUCTION

- Removal and replacement of underground public utilities including storm sewer, watermain and sanitary sewer. The contractor is responsible for garbage pickup and if that fails to happen please email us at the included email
- Upgrade of existing water and sewer services to the Right-of-way and remove all shared services
- Roadway to be replaced and curb and gutter to be installed throughout the project area
- Temporary mailboxes will be installed on 2nd Ave East and Main St East
